This permit becomes null and void if work or construction authorized is not commenced within six (6) months, or if construction or work is suspended or abandoned for a period of six (6) months at any time after work is started. The applicant agrees to the following 1) Affix the Building Permit Placard in an accessible location on the construction site, visible from the road, and maintain such placard until the completion of the entire project. 2) Keep a copy of the approved construction drawings on site during construction 3) Contact the Planning & Codes Department at least 24 hours in advance of required inspection; and 4) Obtain a Certificate of Occupancy prior to the usage or occupancy of the structure or building constructed.

I hereby certify that I have read and examined this document and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. Granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction of the performance of construction.
