

# Old Town District Open House

Shannon Haughtaling, far right, was the Grand Prize winner at the Nov. 20th first annual Old Town District Open House. Lind Smith took second place and Zsierid Szabo was third place. All together the winners won over \$3200 worth of prizes and money. Over 200 people attended the

first annual Old Town District Open House on Nov. 20, 2010. We could not of have asked for a more beautiful day. There was a lot of excitement in the area with all of the family orientated free activities and refreshments. A special thank you goes out to the Rave Elite Cheerleaders, Totally Tumbling, Cooley's Music, and C & R Buggy & Carriage for making the day extra special. Due to its success it will be an annual event.

Mark your calendars for these upcoming events:

- Dec. 3, 7:00 P.M, Tullahoma Christmas Parade
- Dec. 14, 5:30-8:00, Christmas Stroll
- Dec. Pride Award, TBA
- Jan. 6, 2011, 5:15 P.M. Pride Meeting, City Hall

## Congratulations to Keep Coffee County Beautiful

KCCB was awarded a \$4100 grant for landscaping the grounds of South Jackson. This grant is a partnership with multiple agencies and businesses in the community. KCCB will complete their work on April 10, 2011. Stay tuned for further information.

Speaking of KCCB, their mascot, Rocky the Raccoon, showed up for the Downtown merchants first annual downtown trick or treating. He took some time out to pose with one of about fifty children that participated in the Oct. 30th festivities. It sure was fun to see a lot of the merchants dressed up too. Merchants reported that the event was a success and they plan to continue it next year.

WOW! 1299 Friends and counting!

Meet Evey, she one of the many dogs available at the Tullahoma Animal Shelter. The Animal Control Division falls under Public Works, and is located at 942 Maplewood. If you are interested in adopting Evey, any other dog, or contributing to the shelter click on link below.

# Nov. 2010 Newsletter

The City of Tullahoma and the Pride Committee applied for the Tennessee Downtowns Program grant. Tennessee Downtowns is a Tennessee Department of Economic and Community Development's program

offered to communities with older traditional downtown districts that are interested in the process of revitalization and historic preservation based on the nationally successful "Main Street Approach to Revitalization™".

If the Tullahoma Community is chosen, we will receive a downtown revitalization package which includes technical assistance; full scholarship to a two-day downtown revitalization workshop; follow up; and a project grant opportunity for selected communities. This provides an eighteen month introduction into the organization and process of downtown revitalization and preservation. The awards announcement will be in Jan. 2011. For more information click on the link below.
