Application for Swimming Pool Permit

PERMIT APPROVAL IS SUBJECT TO THE FOLLOWING ITEMS:

1. Permit must be completed in full. Any questions left unanswered will necessitate the return of the application and will delay processing. You may include any accessory structures to be built in conjunction with the pool structure (i.e., deck, pool house); be sure to locate them on the site plan.
2. Every application MUST be signed by the owner of the property or by an authorized agent. If signed by the "agent", a copy of the owner's signed contract must be attached to the application.
3. After completion of entire application, mail or bring it to the Codes Department. DO NOT MAIL A PERMIT FEE. When the permit is issued, you will be notified of the amount of the fee to be paid and when you can pick it up. Checks are made payable to: City of Tullahoma.
4. No electrical lines over pool.
5. Site visit is required by the Inspector verifying layout and the placement of erosion control **BEFORE** excavation.

PRIVATE POOL REQUIREMENTS

<p>A) Barriers B) Fences</p>	<p>1) Private swimming pools containing water more than 24 inches (610 mm) in depth shall be completely surrounded by a fence or barrier at least 48 inches (1219 mm) in height above the finished ground level measured on the side of the barrier away from the pool. No existing pool enclosure shall be removed, replaced or changed in a manner that reduces its effectiveness as a safety barrier.</p>
<p>C) Access Gates</p>	<p>2) Gates and doors in such barriers shall be self-closing and self-latching. Where the self-latching device is less than 54 inches (1372 mm) above the bottom of the gate, the release mechanism shall be located on the pool side of the gate. Self-closing and self-latching gates shall be maintained such that the gate will positively close and latch when released from an open position of 6 inches (152 mm) from the gatepost.</p>
<p>D) Ladders</p>	<p>3) Ladders accessing above-ground pools must be enclosed according to the specifications for barriers and access gates, mentioned above. Even if a ladder is removable, it must be enclosed.</p>
<p>E) Alarm</p>	<p>4) Each person, enterprise, agency or entity that purchases a swimming pool to be installed shall install a pool alarm before using or making available for use such swimming pool. (Eff. 1/1/2011)</p>

The undersigned certifies that the above statements and accompanying information are true to the best of their knowledge and belief. The owner of this structure and the undersigned agree to conform to all applicable laws of the City of Tullahoma and the State of Tennessee, and believe the work proposed to be in compliance with all zoning regulations.

Electrical Inspection Must Be Passed Before Final Passed by the City of Tullahoma

Call 931-455-2282 for Final Inspection When Completed
