

GO GREEN FORUM

A NEWSLETTER FOR TULLAHOMA'S GO GREEN INITIATIVE

Go Planet, It's Your Earth Day

Sunny skies graced our Earth Day celebration.

Residents of Tullahoma and the surrounding area learned how to “go green” at Frazier McEwen Park with thirty booths from local organizations and businesses. I want to thank our volunteers who made meaningful contributions. The mini-farmers market was very popular with the crowds, and the TWRA “Wildlife on Wheels” trailer thrilled the younger attendees. The evening included an outstanding performance by Lee Gibson and his special guests. A special thank you to our sponsors: the Bonnaroo Works Grant, Ole Shed Brewing Company, Cherokee Distributors, Prescott Bottling, Traders Bank, and the Tullahoma Parks and Recreation Department for supporting Earth Day. We couldn't have done it without you!

The Go Green Council is composed of citizens like yourself who care about our city, its people, and its natural beauty. We meet the first Monday of each month at 5:00 at City Hall. Contact Alderman Robin Dunn at aldermandunn@tullahomatan.gov for more information.

Take Care of the Earth and She Will Take Care of You.

A clean earth is a happy earth

The Earth Day Celebration was just the first of several events the Go Green Council has in store for the next few months.

Rock Creek Clean up-June 1- Frazier McEwen Park - Please join us to help clean up Rock Creek. Volunteers will meet at the Park at 8:00 am and give back to the waterway that gives so much to us. Wear appropriate shoes because you WILL get wet!

Storm Water Public Form – June 6 – DW Wilson Community Center - Are you concerned about the possibility of flooding in Tullahoma? Please attend our Storm Water Public Forum at 6:00 pm and hosted by former TDEC Director Paul Davis. Learn what you can do as a citizen and what the local government can do to help prevent a crisis in our city. What responsibilities do we each have as individuals, businesses, home owners, and public servants?
