

The City of Tullahoma has designated parking lots for remote workers and students to safely access free high-speed WiFi internet from their cars. Users are advised to remain in their cars at all times. A good rule of thumb is to park as far away from other cars as possible, so that if you need to get out of your car for any reason, you will be able to maintain the recommended minimum of 6 feet for social-distancing. The network is: Tullahoma LightTube
