Building				

Permit is valid for 180 days after issuance and becomes void if work is not started within 180 days or if work is suspended or abandoned for a period of 180 days at any time after permit issue date.

I certify that I have read this application and the information is true and correct. All provisions of all applicable state and local laws and ordinances, building codes and zoning ordinances governing this type of work will be complied with whether specified herein or not. I further agree to indemnify the City of Tullahoma and its operator from any liability for damages and loss of property if the work performed under my authority has not been installed in accordance with these codes and ordinances.
